\*This product has been tested for a 240 day release at 86 F, however product may be fast or slow depending on temperature and soil condition.

### About Pursell Agri-Tech LLC.

The Pursell Family has been involved in the agricultural and specialty fertilizers business since 1904, and has long been a pioneering developer of premium controlled-release fertilizer technologies. Pursell Agri-Tech, based in Sylacauga, Alabama, is committed to expanding on this legacy by developing and commercializing sustainable, next generation controlled release fertilizer and coating technologies that economically increase agricultural output and productivity while reducing the impact on the environment.

**Manufactured By**  
Pursell Agri-Tech LLC  
104 Calhoun Street  
Sylacauga, AL 35150

**Caution:**  
KEEP OUT OF THE REACH OF  
CHILDREN. HARMFUL IF  
SWALLOWED.

**Storage:**  
To ensure quality of product store this  
fertilizer in a dry and moisture free  
environment. Improper storage may  
affect release rates.

**PURSELL**  
AGRI-TECH  
SINCE 1904

**Mission:** Develop and commercialize next generation fertilizers to increase yields, enhance human nutrition, and improve environmental impact to water and climate.
