

NutriFUZE

Metabolite Plus

Bacillus Spp., Paenibacillus Spp. and Extracellular Enzymes

- Produces enzymes
- Cycles soil organic matter
- Solubilizes phosphorus, potassium, calcium and magnesium
- Enhances root hair formation and plant growth

Visit DIAMOND-R.COM for more information.

METABOLITE PLUS. Our most aggressive application of SureTRx technology with an added bonus of beneficial microbes. This combination creates a rich environment around your plants root zone and amplifies the FLUSH!

NutriFUZE

METABOLITE PLUS

Promotes accelerated microbial propagation and drives an increased level of microbial activity.

PLUS: Extracellular Enzymes that create physiological triggers affecting all stages of plant growth & plant health. Also stimulates the production of root hairs and root tips increasing the active absorptive surfaces feeding the plant.

Manufactured by:
Diamond R Fertilizer
4100 Glades Cut-Off Road
Fort Pierce, FL 34891-1573
F001573

Weight per gallon: 8.62 lbs.

NON-PLANT FOOD INGREDIENTS:

Active Ingredients

Microbial Ingredients	3.5%
Bacillus spp.	
Paenibacillus spp.	
Extracellular Enzymes (Effectors)	20.0%

Inert Ingredients

Water-based culture medium	76.5%
----------------------------	-------

An enzymatic activant in the soil and plant - improves conversion of organic and inorganic fertilizers into plant available forms - enhancing plant nutrition and development.

APPLICATION RATE:

Starter or side dress - Apply 1 to 2 pints per acre. Mix with sufficient volume of water to achieve desired coverage.

Foliar application - Apply 1 to 2 pints per acre. Injection or drip irrigation - Contact your Product representative for specifications.

Storage & Handling:

Store product in original container. Store in a cool area (40° - 110°F) out of direct sunlight. Moderately irritating to eyes; avoid contact. If contact occurs, flush eyes with cool water for 15 minutes and consult physician if irritation persists. Do not ingest. If swallowed, drink copious amounts of water and contact physician. Wash hands thoroughly after handling product. Refer to SDS for more details.
