

# NutriFUZE

## SOLITRx

### Humic Acid and Organic Acid

- Increases nutrient availability by decreasing leaching in soil and acting as a foliar carrier when applied to the tissue
- Assists in degrading and stabilizing toxic substances
- Highly stable from a pH range of 2 to 12
- Enhances root and shoot growth

**SOLITRx. Leading the industry as the safest,  
tank-mix-friendly source of organic matter on  
the market. Unlock the full potential of your  
plants by increasing the efficiency of the  
nutrients applied!**

# NutriFUZE

## SOLITRx

**SOLITRx**, a unique humic acid, increases nutrient availability in the soil by decreasing leaching and increasing microbial activity. It has been formulated to remain stable from a pH of 2 to 12 which allows for a wide range of mixing/application capabilities. It can serve as a nitrogen stabilizer on dry fertilizer blends, a nutrient chelator in the soil, a wetting agent when used with a non-ionic surfactant and a tool to increase a plants ability to utilize nitrogen and phosphorus more efficiently.

Manufactured by:  
**Diamond R Fertilizer**  
4100 Glades Cut-Off Road  
Fort Pierce, FL 34891-1573  
F001573

Weight per gallon: 9.09 lbs.

☐ 2.5 gal ☐ 30 gal ☐ 250 gal

Non Plant Food Ingredients derived from:  
Humic Acid and Protein Hydrolysate

**APPLICATION RATE:**

- i) ROW CROPS, VEGETABLES and TREES less than 3 years old:  
1 - 3 gallons per Acre
- ii) TREE, VINE, NUTS and CITRUS: 2 - 4 gallons per Acre
- iii) ORNAMENTALS: 1 - 2 gallons per 100 gallons of water by way of a drench application
- iv) TURF - Contact your Product representative for specifications.
  - 1) GREENS: 1.5 to 3 oz per 1000sqft
  - 2) FAIRWAYS and LAWNS: 3 to 5 oz per 1000sqft

Apply in-furrow, pop-up or drench (center pivot irrigation, ground or aerial with water and/or fertilizer. SOLITRx is compatible with fertilizer, pesticides and acidic water treatment solutions with a wide range of pH values.

**Storage Instructions:** Store in cool area 40 - 110 degrees F . out of direct sunlight.

**Precautions:** Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear eye protection, protective gloves, protective clothing. If exposed or concerned get medical advice/attention. Store locked up. Dispose of contents/container to comply with applicable local, national and international regulation.
