

NutriFUZE

Ultra Rx

8 Essential Nutrients Chelated with Glucoheptanate

- Chelated micronutrient package designed for berries, turf grass and ornamentals
- Aids in preventing and correcting micronutrient deficiencies
- Improves nutrient uptake and movement
- Enhances plant growth and performance

Visit DIAMOND-R.COM for more information.

ULTRA Rx. Generates an effective and affordable change in your plants growth and vitality.

NutriFUZE

ULTRA Rx

A premium blend of chelated micronutrients.

Ultra Rx is a premium blend of Chelated Micronutrients. Maintaining proper levels of micronutrients usually results in increased plant vigor, better yield as well as more desirable plant quality, size and shelf life. Healthy plants have shown increased resistance to stress caused by excessive dry or wet weather and temperature extremes.

Manufactured by:
Diamond R Fertilizer
4100 Glades Cut-Off Road
Fort Pierce, FL 34891-1573

WEIGHT PER GALLON: 9.67 lbs

CAUTION:
KEEP OUT OF REACH OF CHILDREN

☐ 2.5 gal ☐ 30 gal ☐ 250 gal

Store above 50° F

GUARANTEED ANALYSIS

Magnesium as Mg	1.25%
Sulfur as Combined S	4.00%
Boron as B	.05%
Copper as Cu	.01%
Iron as Fe	1.00%
Manganese as Mn	.75%
Zinc as ZN	.50%
Molybdenum as Mo	.001%

Derived from: Magnesium Sulfate, Manganese, Copper, Zinc and Iron Glucoheptanate, Boron, Sodium Molybdate and SureTrex. SureTrex is a proprietary technology of Diamond R and contains protein hydrolysate obtained from hydrolysis of protein to amino acids and short polypeptides that are a source of nitrogen. SureTrex is only for use as an ingredient in products formulated for use on plants and seeds.

DIRECTIONS FOR USE

Ornamentals: Apply 2-6 quarts (1.9-5.67 liters) per 100 gallons of water as a foliar spray or drench.

Turf: Apply 2-7 oz (60-207 ml) per 1000 sq. ft. or 2-6 quarts (1.9-5.67 liters) per acre in enough water to ensure good coverage.

To aid in plant coverage and leaf penetration add a silicone surfactant and, if desired, 1-2 pounds of urea or potassium nitrate per 100 gallons of water.

Other Crops: Consult your Diamond R Representative.

Compatibility: Ultra Rx is believed to be compatible with most foliar nutritionals, spray adjuvants, fungicides and insecticides. If physical compatibility with another product is unknown, use a jar test.

Compatibility: Ultra Rx is believed to be compatible with most foliar nutritionals, spray adjuvants, fungicides and insecticides. If physical compatibility with another product is unknown, use a jar test.

May cause irritation if contacts skin or eyes, flush with large amounts of water immediately. If irritation persists, seek medical attention. Dispose of containers properly after thoroughly rinsing with water.

Conditions of Sale: Seller warrants that product will be labeled as required under state and federal laws and that they conform to the label description. Any non-conformance must be reported in writing to the Seller within thirty (30) days after purchase as a prerequisite to maintaining any claim against Seller. Buyer agrees to inspect all products purchased immediately upon delivery. The Seller's liability under this warranty is limited in amount to the purchase price of the product. This warranty is in lieu of all other warranties, expressed or implied, including warranties of merchantability and fitness of a particular purpose. There are no warranties which extend beyond this statement.
