SPRAY ADJUVANT

PRINCIPAL FUNCTIONING AGENTS

Highly Refined Paraffinic Oil.....	83%
Polyoxyethylene sorbitan fatty ester.....	17%
TOTAL.....	100%

All ingredients are exempt from tolerance under 40 CFR 180.

Diamond R SPRAY ADJUVANT, when used as directed, will reduce loss of spray deposits by giving more even distribution on leaf surfaces and affords greater resistance to weathering and washing by rain.

Do not contaminate lakes or ponds by disposal of waste or cleaning of spray equipment near water.

NOTICE: The statements made on this label, or by any of our agents concerning this material, are given for information only. They are believed to be true and accurate, but because conditions of use which are of critical importance are beyond our control, Diamond R does not make, nor does it authorize any agent or representative to make, any warranty, guarantee, or representation, express or implied, concerning this material except that it conform to the chemical description on the label. Neither Diamond R nor the seller shall be held responsible in any manner for any personal injury or property damage or other type

of loss resulting to the buyer or to any other person from the handling, storage, or use of this material whether or not in accordance with directions. The buyer assumes all risk and liability resulting from such handling, storage or use and accepts and uses this material on these conditions.

FIRST AID

EYE CONTACT - IF IN EYES: Avoid contact with eyes. In case of contact with eyes, wash for 15 minutes with water. If irritation persists, get medical attention.

SKIN CONTACT - IF ON SKIN OR CLOTHING:

Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water for several minutes. Call a poison center, doctor, chemical manufacturer, importer, or distributor to specify the appropriate source of emergency medical advice.

INGESTION - IF SWALLOWED: Unless advised otherwise by a poison control center or doctor, have person rinse

mouth with water, if able. Do not give anything by mouth to an unconscious person. Call a poison center.

INHALATION - IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth to mouth if possible.

BEFORE USING THIS PRODUCT READ ALL PRECAUTIONS, DIRECTIONS FOR USE AND CONDITIONS OF SALE.

MADE IN AMERICA

AquaFUZE

GENERAL INFORMATION

SPRAY ADJUVANT is a special blend of surfactants with highly refined paraffinic oil designed to enhance the activity of labeled insecticides, miticides, and fungicides when used at recommended rates.

DIRECTIONS FOR USE

DIAMOND R SPRAY ADJUVANT may be applied by either aerial or ground spray equipment.

CITRUS: GROUND SPRAY: One quart to two gallons per acre using a minimum of 10 gallons of water per acre.

DIAMOND R SPRAY ADJUVANT is compatible with most of the commonly used agricultural chemicals. A jar test for compatibility is recommended.

NOTE: DO NOT USE WITH SULFUR, COMITE, OR MORESTAN.

Comite is the registered trademark of Uniroyal Chemical Company. Morestan is the registered trademark of Bayer, Inc.

MIXING

1. Fill spray tank 1/2 full with water and begin agitation.
2. Add required amount of insecticide or fungicide and the remaining volume of water. Continue agitation.
3. Add the required amount of SPRAY ADJUVANT and continue agitation until a uniform mixture is obtained. Maintain constant agitation during application.

CONDITIONS OF SALE

Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to the seller, and buyer assumes the risk or any such use.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited.

STORAGE: Store In cool, dry locked area out of reach of children. Keep oil container tightly closed in storage to prevent entry of water.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL:

METAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by the state and local authorities.

PLASTIC: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by stated and local authorities, by burning. If burned, stay out of smoke.
